Participation in External Research Programmes and Projects

- Towards more Effective enFORcemenT of claimS in civil and commercial matters within the EU - EFFORTS' (grant agreement number, European Commission, Directorate-General Justice and Consumers – DG JUST). Embracing a practice driven approach, the project analyses the legislation and case-law of 7 Member States (namely, Belgium, Croatia, France, Germany, Italy, Lithuania, and Luxembourg), promotes the exchange of practices among operators (by means of 7 national and international exchange seminars) and collects good practices, with a view to assessing the interaction of the EU Regulations on the recognition and enforcement of judgments with national legislation. Notably, the targeted EU legislative instruments are the Brussels I bis Regulation and the Regulations on the European Enforcement Order, the European Small Claims Procedure, the European Payment Order, and the European Account Preservation Order.
