UW dr hab. Jacek Jastrzębski).

Participation in External Research Programmes and Projects

- "Harmonisation of Sanctions and Procedures in the European Financial Markets Law" (Luxembourg National Research Fund – FNR, Luxembourg, 2020)
Led by Prof. Dr. Pierre-Henri Conac, the research project focuses on the regime of administrative pecuniary and non-pecuniary sanctions in financial markets' law in the European Union (EU) and examines how to improve the effectiveness of enforcement of the European financial markets law. The research project to analyses the substantive and procedural rules in the field of sanctioning the violations of EU financial markets law, seeking to determine which provisions could benefit from greater harmonisation at the EU level and/or which reforms could benefit Member State financial markets law, with the aim of achieving credible deterrence. The research project will last five years.
- "The Codification of the European Capital Market Law" (Deutsche Forschungsgemeinschaft – DFG, 2021).
The EU-wide academic project examines the fundamental issues of the EU securities legislation and feasibility of the EU securities codification. Led by Professor Rüdiger Veil, the project started in 2020 and will last four years. The Research Group consists of twenty four European scholars in the field of the EU capital market law.

Teaching Activities

- "European Banking and Financial Markets Law" (Master 1 on European Law), University of Luxembourg, 2022.
- "Law of contracts in securities and financial instruments trading" (postgraduate studies "Law of Contracts in Consumer and Professional Trade"), Jagiellonian University, 14 February 2022.
